

MECHANISM OF FEED BACK

The feed back proforma was available on college website. Students were asked to fill the proforma online but most of our students are from rural background and very few students have access of internet facilities so we provided feedback in print form/off line mostly feedback we received from the student's guest faculty members and alumni. We ensures the anonymity and confidentiality of the survey response. Feedback is taken from all UG and PG students randomly from those students who are regular in class but in this period of after pandemic the classes were not properly regularized so feedback is taken from only regular students.
