

STUDENTS' SATISFACTION SURVEY 2020-21

Purpose:- The college is committed to provide a favourable and barrier free environment for the overall development of its students. The aim of the survey was to provide them a platform to express their view about teaching learning process, environment in the college, facilities in the college campus so that the administration can identify the weaker areas for further development/improvement in teaching learning, evaluation process, infrastructure facilities and other activities undertaken by the college during the year .

Machanism: The feedback proforma was available on the college website students were asked to fill the feedback from online. Most of our students are from rural areas and very few have access of this technology so we provided feedback form in print form offline. The feedback process include following stages:

1. Collection of the feedback.
2. Analysis of the feedback.
3. Sharing the report with management.
4. Preparation of action plan for improvement of the college..

Action Taken:- Due to corona pandemic no work was done.
