

STUDENTS'SATISFACTIONSURVEY2021-22

Purpose:-The College is committed to provide a favorable and barrier free environment for the overall development of its students. The aim of the survey was to provide them a platform to express their view about teaching learning process, environment in the college, facilities in the college campus so that the administration can identify the weaker areas for further development/improvement in teaching learning, evaluation process, infrastructure facilities and other activities undertaken by the college during the year .

Mechanism: The feedback Proforma was available on the college website students were asked to fill the feedback from online. Most of our students are from rural areas and very few have access of this technology so we provided feedback form in print form offline. The feedback process include following stages:

1. Collection of the feedback.
2. Analysis of the feedback.
3. Sharing the report with management.
4. Preparation of action plan for improvement of the college..

Action Taken Report of 2020-2021:- Due to corona pandemic in year 2020 -2021 plan was not executed. Plan was to purchase books for library and to make the waste bit pakka for College infrastructure improvement.

Remarks of the students:-

1. More textbooks are required in library
2. ☐ Sitting capacity in the library is less as compare to the students in the college, so it should be increased

Proposed action plan:- Both remarks of the students were put into the knowledge of the management when elected Governing Body of management came in college in November 2021. So that for the next session, these constraints can be removed to increase the learning capacity of the college and students.
